

Spielwarenmesse Podcast with the TrendCommittee

Each year, the international TrendCommittee for the Spielwarenmesse identifies three ToyTrends that offer guidance to retailers in their range selection. How they scout out these trends is explained in the latest edition of the **Spielwarenmesse Podcast**. The guests this time are three members of the TrendCommittee: **John Baulch** from Great Britain, publisher of **Toy World Magazine**, and two market researchers, **Clara Blasco** from Spain and **Axel Dammler** from Germany.

In conversation with Marco Jahn of the Spielwarenmesse, they will be offering insights into their work on the TrendCommittee and presenting the 2023 ToyTrends 'Discover!', 'Brands for Fans' and 'MetaToys' in more detail. In addition, they will be discussing how the toy industry has changed in recent years and what, in their opinion, makes the Spielwarenmesse in Nuremberg so special.

The new Spielwarenmesse podcast is now available in the Media Center at www.spielwarenmesse.de/media and on the audio streaming services [Audible](#), [Spotify](#), [Apple Podcast](#), [Amazon Music](#) and [Google Podcasts](#).
